

PULASKI COUNTY CASA

2021 IMPACT REPORT

MISSION

The mission of Pulaski County CASA (Court Appointed Special Advocates) is to give abused and neglected children a voice in court.

VISION

The vision of Pulaski County CASA is a CASA advocate for every child in foster care.

A Message from our Executive Director

For the past two years, life as we have known it has been drastically changed in pretty much every aspect. Our visits with family and friends, our shopping habits, travels and so on will never be the same due to the world-wide pandemic known as COVID. One thing that has not changed is the plague of child abuse and neglect in our society. That plague not only still exists, but has even been exacerbated by COVID.

Millions lost their jobs and businesses as a result of what COVID brought. But our CASA Advocates have not skipped a beat during this crisis. They continued their advocacy to stand against child abuse and neglect. They simply masked-up, grabbed their hand sanitizer and continued their duties as if COVID never hit our shores. CASAs still visited when possible, monitored their children assigned to them, attended court via Zoom, wrote letters and sent out cards and maintained their connection with the children.

Another group that never skipped a beat during the past two years was YOU, our faithful supporters! Because of your continued support and investment in our mission, we were able to continue to provide quality advocacy for the ones that need it the most, the foster children in our community. We continued the work of advocating, recruiting and training new volunteers, providing quality reports to the judges and seeking the best interest of the children in our cases. All because of YOU! The CASA Staff and our Board of Directors continued to work diligently to focus on the needs of the children we are privileged to serve. Together, Team CASA faced our challenges, brain-stormed and persevered...all because of YOU!

We deeply appreciate your support and we look forward to continuing to partner with YOU to help to Change a Child's Story!

With deepest gratitude,

Darryl Capps, Executive Director
